CUSTOM BUILT

Perched atop 25.3 acres bordering the wilderness of Forest Park, this Pacific Northwest estate delivers sweeping panoramas of Mt. Hood, Mt. Adams, the Cascades and the Coast Range from a private, gated two acre homesite. The rest of the acreage rolls away below the house in pasture, paddock and forest edge, with the equestrian center set in its

own fold of the land. It is a rare balance. The property is minutes from downtown Portland and from the high tech corridor in Hillsboro and Beaverton, yet from the terrace there is nothing in view but trees, fields and mountains. Privacy, acreage and convenience arrive in equal measure.
